

Safety Tips For Trident Rideshare Users

By taking proper precaution and using common sense, commuters can have a safe and enjoyable carpool. Trident Rideshare strongly recommends that users following the following tips when establishing a carpool:

- Avoid giving out personal information when setting up a carpool
- Limit gender preferences in your search
- Join a carpool with more than one person
- Take a friend and meet a potential carpool partner in a public area before carpooling with that person
- Ask the person for references
- Verify that a person has valid driver's license, license plate, auto insurance and vehicle registration.
- Meet for your carpool at a mutually acceptable, public location
- Test the waters with a "trial period"
- Use common sense and trust your instincts
- If something doesn't feel right, don't do it
